

HANDS OF LOVE

Share your love with a resident of KAIROS in CSP Folsom. Draw the outline of your hand on a piece of colored construction paper. Write a brief, one sentence expression of love within the outline of the hand and sign your name (first name only, please). Then cut out the hand.

Examples of expressions of love:

"I love you."

"Jesus loves you and so do I."

"My prayer is for Jesus to fill your heart with love."

A favorite scripture passage.

Any prayerful, joyful, sincere expression of love.

The KAIROS Prison Ministry has as its purpose the establishment of a Christian Community within prison institutions through the formation of small "Share and Prayer" groups within the institutions. This process starts with a 3-day Short Course in Christianity presented by a group of laity and clergy.

This is for a KAIROS 3- day Short Course in Christianity being presented at the weekend in CSP Folsom. The hands will be strung around the Community Room in which the short course is being presented.
